

# FASHION TIPS

Simple tips that will help you look more pulled together and feel polished!

## DO'S

Cute shoes. **ALways!** Even if they are flats. But heels if you can.

Tight or low cut top? Flowy and covered bottom.

Flowy covered up top? Show some leg!

Think opposites! If your outfit is edgy, wear soft sweet jewelry. If your outfit is conservative, wear a more bold statement jewelry.

## DON'TS

Don't be the sloppy one. When in doubt, it is better to be overdressed than under.

Unless you are going monochromatic, don't match everything. Pair orange with pink, or cobalt.

Don't be matchy matchy with your jewelry. That's pretty, but it's not striking! Mix it up.
