

8 Essentials for Your Garden Shed

1

MANURE

Homemade or I use Black Kow brand available at Lowe's Home Improvement Stores.

Use for amending soil in planting holes.

2

COMPOST

I prefer Black Kow brand available from Lowe's Home Improvement Stores.

Use for amending soil in planting holes.

3

QUICK START

Miracle Gro Quick Start helps your newly planted tree or shrub to grow strong sturdy roots for strong sturdy plants. Used during planting.

4

BLOOM BOOSTER

There are several brands but Miracle Gro makes a good one that comes in a "Shake 'n Feed" bottle that is very convenient.

Use for more blooms on your flowering plants.

5

LIME

Lime raises the soil ph which is good for CLEMATIS and other plants. Apply once a year in early spring.

6

FUNGICIDE

Used to treat Black Spot, Powdery Mildew, Tomato Blight and many other diseases. I use Daconil.

7

PREEN

Weed preventer. Stops weed seeds from germinating. Sprink around plants, shrubs, trees, and in flowerbeds to prevent weeds from sprouting.

8

NEEM OIL

Use to control Aphids, Whiteflies, and other pests, but is safe for bees.
