## Welcome to The List Maker

Planners have intrigued me for years and I have longed to be able to use one. I have bought a few in the past, but honestly, I never had enough plans to really need one until recently, when my aging memory started to play tricks on me. So I bought another one. But I'm afraid to use it. Afraid I'll mess it up. Afraid I won't use it "right." Afraid I'll miss out on the perfect way to utilize all it's features.

Bleh to that!

I finally realized and admitted that I'm a list maker. And a list maker I'll always be. A list keeps me organized and makes me feel accomplished. But not afraid. Nope. I am not afraid of a list.

So let's unite, all you list makers out there! You people are my people! Let's make our lists and get stuff done!

# Instructions for Use

I have created two different version of The List Maker. This one is the Monthly version. You can also get a Weedend version.

- Decide on your goal for the Month and record it on the first Monthly Goal page.
- Break down that Main Monthly Goal into at least 4 smaller parts that you hope to accomplish in a week.
- Choose TODAY's jobs and record them on the Today's To Do page.
- Mark stuff off as you get them done!

## EXAMPLES:

### Monthly goals might be:

1. Create a new flower bed
2. Host a Party
3. Paint the Living Room

### Weekly goals might be:

1. Layout the shape, Dig out the grass, Install border, Add soil, Add manure and compost, Order plants, Dig holes, Plant Plants, Add weed deterrent, Add mulch, Add garden art, etc.
2. Plan date, theme, and menu, send out invitations, Check supplies (paper plates etc) and make list, Grocery & supply shop, Clean Guest Bathroom, Vacuum House, Mop Kitchen, etc.
3. Bring home paint chips & hang on wall, Buy sample paints of preferred choices, paint samples on wall, purchase most loved color, move furniture, tape off baseboards, tape off windows, remove picture, etc.

### Today's goals might be:

(could be the same as the weekly goals, just pick & choose ones you are going to do)

1. Layout different shapes to decide, Mark with paint or string, dig out around the shape.
2. Plan date and time, theme & menu, write out invitations and create Facebook event page
3. Look on Pinterest for Blue living rooms to help decide shade of blue, go get paint chips in shades that I preferred, hang paint chips on wall
